The Honorable Carl Hayden
Chairman, Committee on Appropriations
United States Senate
Washington 25, D. C.

Dear Mr. Chairman:

I want to express my warmest appreciation to you and to your Committee for your assistance in connection with the appropriations for the new CIA headquarters installation. Thanks to your action, we may now proceed with the detailed plans for the building, as well as preliminary steps for the George Washington Parkway extension if the final decision is made to locate at Langley, Virginia.

We hope that you will be as proud of the new building as we expect to be, and that when we again appear before your Committee for the remainder of the construction funds you will find that the plans are both dignified and economical.

I hope that now that Congress has adjourned you will be able to return home to a well-earned rest and an enjoyable summer.

With kindest regards.

Sincerely,

SIGNED
